HOW IT WORKS

IMPORTANT!

To prevent new weeds and grasses from growing, **YOU MUST SPRAY THE ENTIRE AREA** you want to control, **NOT JUST** the emerged weeds.

Dual-Action Formula Works Two Ways

1

Kills existing weeds and grasses, roots and all.

2

Prevents new weeds from growing for up to 4 months by creating an invisible barrier.

WHERE AND HOW TO USE

Apply Roundup® Extended Control to both existing weeds and weed-prone areas where weeds have not yet appeared

Yellow color represents area to be sprayed to receive 4 month weed-free control.

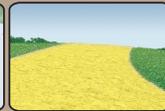

Driveways, Patios, Sidewalks & Paths

Tree Rings & Mulched Areas

Along Fence Lines

Gravel Areas

NOTE: Product goes on clear and will not stain. Yellow highlight shown for illustration purposes only.

Where NOT to Use

- In areas that will be planted or seeded within 4 months.
 - Around un-established plants, shrubs, or trees.
- (See inside booklet for details.)

PRODUCT FACTS	
Makes up to 5 gallons. Treats up to 1,500 sq ft	
WHAT IT DOES	Kills and prevents all types of weeds and grasses
HOW IT WORKS	<p>IMPORTANT: To prevent new weeds and grasses from growing YOU MUST SPRAY THE ENTIRE AREA you want to control, NOT JUST the emerged weeds.</p> <p>Roundup® Extended Control works two ways:</p> <ol style="list-style-type: none"> 1. One ingredient enters plants through foliage and moves systemically to the roots, killing weeds by stopping the production of a substance found in plants. Weeds begin to yellow and wilt within hours with complete kill in 1 to 2 weeks. 2. The other ingredient provides an invisible barrier in the soil that prevents growth of sprouting weeds and grasses for up to 4 months!
WHERE TO USE	<p>Apply Roundup Extended Control to BOTH existing weeds and weed-prone areas where weeds have not yet appeared.</p> <ul style="list-style-type: none"> • On cracks and crevices in driveways, sidewalks, walkways, and patios • Along fences, foundations, curbs, retaining walls, and edge of lawns • Around the base or in mulched beds of well-established (at least 6 months old) plants, shrubs or trees • On gravel areas
WHERE NOT TO USE	<ul style="list-style-type: none"> • DO NOT SPRAY plants or grasses you like – they may die too. • DO NOT USE in lawns or for lawn renovation as Roundup Extended Control prevents desirable grasses from growing too. • DO NOT USE for vegetable garden preparation or in and around fruits and vegetables. • DO NOT SPRAY around young plants or in an area that will be planted or seeded within 4 months. <p>Note: For weed control in these areas use Roundup Weed & Grass Killer Ready-To-Use or Roundup Weed & Grass Killer Super Concentrate.</p>
	People and pets may enter treated area after spray has dried.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

MIXING INSTRUCTIONS

<p>TANK SPRAYER (plastic, aluminum, fiberglass, plastic-lined steel or stainless steel).</p>	<ul style="list-style-type: none"> • Add 6 fl oz (12 Tbs) to 1 gallon of water • One gallon treats 300 sq ft <p>1 Tablespoon (Tbs) = 3 teaspoons (tsp) 1 fl oz = 2 Tbs</p> <p>Do not apply with a galvanized or unlined steel (except stainless steel) sprayer, or through any irrigation system.</p>
<p>HOW TO APPLY</p>	<ul style="list-style-type: none"> • Spray the existing weeds AND the entire surrounding weed-prone area you want to keep free of weeds for up to 4 months. Spray the area until THOROUGHLY WET. • When spraying around the base of well-established (at least 6 months old) ornamental plants, shrubs or trees, shield desirable plants from drift with a sheet of cardboard or plastic. If desirable plant is accidentally sprayed, rinse off immediately with water.
<p>WHEN TO APPLY</p>	<ul style="list-style-type: none"> • Spray when air is calm to prevent drift to desirable plants. • For fastest visual results, apply during warm, sunny weather (above 60° F). • RAINPROOF™ Protection: Rain or watering within 30 minutes of application will NOT wash away effectiveness.
<p>WHEN TO REPLANT</p>	<p>All ornamental bedding plants, trees, shrubs, sod, and seed (flowers and grasses) may be planted 4 months after application.</p>
<p>HOW TO CLEAN SPRAYER</p>	<p>To clean sprayer after use, rinse sprayer and all sprayer parts with water 3 times. Spray rinse water on bare soil or gravel. After cleaning, sprayer may be used for other products.</p>

STORAGE & DISPOSAL

PESTICIDE STORAGE: Store in original container in a safe place away from direct sunlight.

DISPOSAL: Do not reuse this container. **If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

People and pets may enter treated area after spray has dried.
